

Date: November 9, 2020

Dear Hrishikesh.C.P (JEE Advanced Roll No. 6139040),

Congratulations on your provisional admission to IIT Gandhinagar! You now have the opportunity to join a dynamic institution that is committed to innovation and excellence in education. We take pride in our novel approach to academics and our futuristic outlook, and we look forward to having you join us in this exciting endeavour. Our mission and vision statements are enclosed. Also enclosed is a brochure that highlights key elements of our B Tech programme, and one that describes various academic support initiatives.

In view of the ongoing COVID-19 pandemic, we have designed an innovative and student-centric programme for the first year keeping in mind the challenges you are facing in these difficult times, while upholding our commitment to provide a well-rounded education. The first year of your B Tech programme has been divided into three terms and the programme will begin in the online mode. We request you to take necessary steps to prepare yourself to attend the courses online. In particular, please ensure that you have a laptop/computer with necessary data connectivity for a smooth online learning experience. The first term will begin online from 10:00 am on 12th November 2020.

The general terms and conditions of your offer are provided in Enclosure 1. Information related to the registration process, payment of fees, and academic schedule of the first year programme are provided in Enclosure 2.

The institute's flagship Foundation Programme (Enclosure 3) is now being emulated by several IITs and other academic institutions. The Foundation Programme has been developed to nurture students' creativity, communication skills, ethics, physical fitness and social awareness. The institute places great emphasis on not only educating successful engineers of the future, but also creating well-rounded personalities, who contribute to society, are respectful of and can adapt to their surroundings, and who can be great thinkers and problem solvers in all avenues of life.

As an institution committed to adopting the best standards and practices in education, IIT Gandhinagar takes an uncompromising position on ethical conduct and human values. A statement on academic integrity is attached (Enclosure 4). We believe in equal opportunities for all and are committed to non-discrimination against individuals based on their ethnicity, caste, religion, gender or socio-economic status. We have a "zero tolerance" policy towards ragging, harassment and bullying (Enclosure 5). Your parents/guardian and you are required to jointly sign statements on good conduct, academic honesty and anti-ragging (Enclosures 6a to 6c), and a statement acknowledging our approach to student treatment (Enclosure 7). Kindly note that you should upload the signed copies of these documents during registration. [Here is the link for online registration.](#)

We strongly believe that no student should face challenges in pursuing his/her education due to financial constraints. We have therefore created a number of financial aid programs and scholarships (Enclosure 8) to help students with financial needs.

Students will be provided with hostel accommodation and access to other facilities of the Institute on their arrival (Enclosure 9). Hostel rooms may have to be shared with other students. Students are not permitted to accommodate guests in their rooms. All guests are expected to make their own arrangements for accommodation outside the campus.

IIT Gandhinagar is a green campus, and all members of the community are expected to adopt sustainable use of all resources. In particular, we strongly encourage walking and bicycle use, and use of personal motor vehicles by the students inside the campus is not permitted. We welcome you to IIT Gandhinagar and we wish you the very best as you begin a new chapter in your life.

With best wishes,

Dean (Academic Affairs)

Note: This admission offer is provisional and subject to IIT Gandhinagar being the final institution allotted to you at the end of JoSAA counseling. In case you are allotted an institute different from IIT Gandhinagar at the end of counseling, this offer will stand void.
